A little girl was greatly interested in watching the men in her grandfather's orchard putting bands of tar around the fruit trees, and asked a great many questions. Some weeks later, when in the city with her mother, she noticed a gentleman with a mourning band around his left sleeve.

"Mamma," she asked, "what's to keep them from crawling up his other arm?"

Time's Changes in Venezuela. Venezuela received its musical name from the early Spanish real cants, who saw a resemblance to Venice in the sites of the island cities. The llanos, or bleak plains, on which the llaneros live a precarious life, have largely changed their character since Humboldt saw them. These great plains of grass supported innumerable herds of cattle; but civil war led to the destruction of the herds to feed the insurgents. The llanos are now rapidly becoming a potential source of timber.

IF IT'S A FITZ IT'S A FIT

Overalls is acknowledged. They are made of pure Indigo denim that wears like buckskin. The seats, legs and bottoms are the widest of any overall made. Buttons and buckles have the staying qualities that workmen like. The stitching is done with two seams; the suspenders are the longest in the world; they are also wide to keep them from cutting up in a hard roll on the shoulders. There are seven pockets, two hip, two front, one money, one rule and one combination pencil and watch pocket. The many points of superiority of FITZ Overalls make them the favorite with every man who wears them. Call and see us, and we will show you that FITZ Overalls are the best made.
